

16/10/2020

Dear Parents/Carers,

**COVID 19 School procedures.**

Following the Government announcement that London will be a Tier 2 area from Saturday 17<sup>th</sup> October, this will have implications for your son/ daughter when they attend school.

The DfE guidance states that students in year 7 and above will be required to wear a face mask in all communal areas and corridors. We will therefore be requiring your son/ daughter to wear a face mask as from Monday. This will be provided by us on entry to school.

If any child refuses to comply, and they have no medical condition which could be affected by this requirement, they will be **sent home immediately**. I know you understand that we need to ensure the health and safety of all our students and staff at all times.

I would like to take this opportunity to thank you for your support in this matter.

Kind regards

Philip Tagoe

Head of School
