

9th September 2019

Dear Parents / Carers,

I am writing to welcome you to a new academic year at Bromley Beacon Academy, Bromley Campus. As the Interim Head of School I am looking forward to the challenges and working with our students, parents, staff and local community to raise standards and ensure success for everyone.

I would like to take this opportunity to recognize the outstanding work undertaken by our staff throughout last year. Bromley Beacon Academy- Bromley is now an establishment of which all the staff, students and parents can be rightfully be proud and I look forward to continuing this work during the coming year and building on the many successes from our recent Ofsted report.

I would also like to take this opportunity to ask for your continued support of our efforts to improve our standards. You can do this by ensuring that the students are always dressed appropriately in full uniform, on time and attending every day. We will then do all we can to ensure that they fulfil their academic potential by challenging them in lessons and supporting their individual needs.

Having worked with students for over 25 years and specifically SEMH schools for the past 7 years, I am acutely aware of the challenges the young people will face over the coming year and can assure you that the team at Bromley Beacon will work tirelessly to ensure success for your child.

I also need to advise you of an early school closure which will take place on **Thursday 12th September.** On this day school will close at **2.30 pm rather than 3.00 pm.** Secondly **Monday 16th September** will be an **INSET Day**, and school will be closed for students all day. The reason for these closures are for staff to undertake crucial training; I would be grateful if you could please put this date in your diary.

Once again thank you for your continued cooperation and do not hesitate to contact the school should you have any queries.

Kind regards,

Mr Philip Tagoe

Interim Head of School.
